SUMMARY

Full Stack Developer with hands-on experience building responsive, high-performance web applications using React and Next.js. Skilled in front-end and back-end development with TypeScript, Node.js, and PostgreSQL. Passionate about crafting smooth UI interactions using Framer Motion and GSAP, and delivering clean, maintainable code. Brings strong communication and problem-solving skills from prior customer service and leadership experience, thriving in both team and independent environments.

TECHNICAL SKILLS

- **Languages:** JavaScript (ES6+), TypeScript, HTML, CSS

- **Front-end:** React, Next.js, Vite, Tailwind CSS, ShadCN UI, *Framer Motion, GSAP*

- **Back-end:** Node.js, Express, PostgreSQL, Prisma, REST API

- **Authentication:** Passport.js, JWT, Bcrypt, OAuth (Google – in progress)

- **Tools:** Git, GitHub, Postman, VS Code, pgAdmin 4

- **Other:** Web3, Dapps (Beginner)

PROJECTS

Full Stack E-Commerce Web App (Next.js + Prisma + PostgreSQL)

Stack: Next.js 14, TypeScript, Prisma, PostgreSQL (Neon), Tailwind CSS, Zod, Framer Motion

- Built a full-stack e-commerce platform with server-side rendering and dynamic product pages.

- Implemented secure authentication, price validation, and database schema management with Prisma.

- Integrated lazy loading and optimistic UI updates for performance and responsiveness.

- Designed a clean, modern UI and optimized SEO with Next.js routing and metadata.

Responsive Homepage UI

Stack: React.js, Vite, Tailwind CSS, Daisy UI, SVG Icons.

- Designed a mobile-friendly homepage with clean UI using Tailwind CSS and DaisyUI.

- Incorporated animated SVG icons for modern visual appeal.

REST API & Server-Side Projects

- Built REST APIs and server-side applications to fetch and manipulate external/public data.

- Experience in CRUD operations and middle-ware usage.

- Stack: Node.js, Express, REST APIs

WORK EXPERIENCE

Cell Phone Screener, ASSURANT INC.   **2024 - 2025**

- Inspected smartphones for damage and defects with strict attention to detail.

- Accurately entered phone details into Oracle Database for processing and records.

- Occasionally performed data entry using Excel Spreadsheets.

Front Desk Receptionist, ARROW WORKFORCE SOLUTIONS   **2023 - 2023**

- Greeted and assisted job seekers at the front desk, managing over 100 phone inquiries daily.

- Logged applicant information into Excel spreadsheets with speed and accuracy.

- Conducted preliminary screening and shared candidate data with the internal recruiting team.

Customer Service & Food Service Roles

Cineplex, Panago Pizza, Dairy Queen (Shift Supervisor)   **2018 – 2022**

- Managed daily operations and led a team of 5 to ensure smooth shift execution.

- Handled customer concerns, scheduling, and inventory checks.

- Handled POS cashouts, prepared end-of-day reports.

- Helped with training new team members.
